### 18 Financial Controls and Procurement

f. A public contract regulated by the Public Contracts Regulations 2015 with an estimated value in excess of £189,330 for a public service or supply contract or in excess of £4,733,252 for a public works contract; or £663,540 for a social and other specific services contract (or other thresholds determined by the European Commission every two years and published in the Official Journal of the European Union (OJEU)) shall comply with the relevant procurement procedures and other requirements in the Public Contracts Regulations 2015 which include advertising the contract opportunity on the Contracts Finder website and in OJEU.

g. A public contract in connection with the supply of gas, heat, electricity, drinking water, transport services, or postal services to the public; or the provision of a port or airport; or the exploration for or extraction of gas, oil or solid fuel with an estimated value in excess of £378,660 for a supply, services or design contract; or in excess of £4,733,252 for a works contract; or £663,540 for a social and other specific services contract (or other thresholds determined by the European Commission every two years and published in OJEU) shall comply with the relevant procurement procedures and other requirements in the Utilities Contracts Regulations 2016.

Now reads:

f. Where the value of a contract is likely to exceed the threshold specified by the Office of Government Commerce from time to time, the Council must consider whether the Public Contracts Regulations 2015 or the Utilities Contract Regulations 2016 apply to the contract and, if either of those Regulations apply, the Council must comply with procurement rules. NALC's procurement guidance contains further details.
