Section 3 - External Auditor Report and Certificate 2018/19

In respect of

MIDHURST TOWN COUNCIL

1. Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in the accordance with guidance issued by the National Audit Office (NAO) on behalf of the Controller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with the International Standards on Auditing (UK and Ireland) and **does not** provide the same level of assurance that such an audit would do.

2. External auditor report 2018/19

(Except for the matter reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return. In our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

(*delete as appropriate)

The Statement of Accounts, Section 2 of the Annual Governance and Accountability Return, has been completed on a receipts and payments basis which is inappropriate for an authority of this size. The Accounts and Audit Regulations 2015, Part 4, Regulation 11 states that the accounts must take the form of an income and expenditure account unless for the current year or either of the two preceding years the total income or expenditure, whichever is higher, does not exceed £200,000. This is the third year for which the total income has exceeded £200,000 which means the income and expenditure basis must be used to prepare the statement of accounts. The Annual Governance and Accountability Return for 2019/20 will need to be prepared on an Income and Expenditure basis and the comparative year (2018/19) will need to be restated onto the same basis unless both income and expenditure are both below £200,000.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Internal Auditor ticked 'Yes' to box K on the Annual Internal Audit Report which relates to whether a Council correctly certified itself exempt in the prior year however, the Council did not claim exemption last year. The assertion should have been answered 'Not covered'.

3. External auditor certificate 2018/19

We certify/ ~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.

~~We do not certify completion because:~~
